Dear Parents,

As you are all aware the weather is very cold at the moment so please make sure your children are coming to nursery with appropriate layers, coats and foot wear to enjoy our lovely big garden! If we can also ask you to make sure all of your children's clothes are labelled as they easily fall off pegs and get mixed up together.

Thank you to everyone that has provided us with family photos for our Family Board displays. If you are still waiting to provide us with

Photos please feel free to email the office and we can print them off for you.

Fire, Fire!

The Preschool children will be having a visit from the Firefighters with their Fire engine on **Wednesday the 15th of February at 2.15pm in the car park at the Preston Park Hotel (Providing they don't have any emergencies.)** If your child doesn't attend on that day please feel free to come along!

Home Interests

What your children get up to at home is so important to be shown. Here at nursery we love to plan as personally as we can.

Tapestry is the way to share with pictures, stories, we'll see it there. We'll then use them in the room and with that the children will bloom!

If Tapestry is not for you- feel free to take an interest sheet and give it to an Auntie or Uncle in the room ☺

Thank you to everyone who has been sharing we love seeing all your updates!

Literacy Week

27th Feb to 3rd March

World book day is coming on the 2nd of March but we don't feel that one day is enough time to celebrate all the books we love. Therefore we are having a whole week of literacy fun!

We will have a range of activities throughout the nursery ranging from interactive nursery rhyme time to story making in preschool! We would like to welcome everyone to come in dressed as their favourite book character, bring in and share their favourite stories and hopefully have some parent/grandparent readers come in!

Further details will be provided nearer the time so please look out for posters, emails and Facebook posts!

Please let us know if you or a family member would like to come in and read the children a story!

Calling all Parents

We are looking at improving how we promote and share the different languages children speak at home. We will soon be asking some of our lovely parents to help us translate some key words and the pronunciations.

We would like to say a big thank you to Olympia and Dylan's mum who came in to teach the preschool children to make Gnocchi. The children thoroughly enjoyed this so if we have any other parents that would like to come in and talk about their jobs, cultures, share languages or help with an activity please let us know!
