Quality childcare needn't cost the earth

## NEWSLETTER April 2010

Dear Parent/Carers,

### PAYMENTS

Please be reminded that fees must be paid in full by the 3<sup>rd</sup> of the month, (one month in advance) there will be a £10.00 fine from this month for fees paid after this date.

### NURSERY

We would like to thank you all for your patience in bearing with us whilst the scaffolding was in the garden.

We are in the process of having the nursery redecorated both outside and inside. The garden area is also being upgraded with artificial grass being installed in the small back garden. This garden will have a new climbing structure with tunnel and slide. We are purchasing a range of new resources for the individual room as well as the outside area.

### STAFFING

Auntie Serena who has been on maternity leave for the past 9 month and will be returning to work after Easter along with her beautiful baby Christine. Serena will be full time and will be based in the pre-school room. Serena is an experienced nursery practitioner and is looking forward to joining us again.

Auntie Bonnie and Auntie Natalie have recently swapped rooms as they are both keen to gain more experience with the different age groups.

#### END OF DAY

Please be aware that you are responsible for your children in the corridors when you collect your child at the end of the day/session. We would really appreciate it if you could prevent them from running up and down the stairs and corridors and shouting. Collection times are very busy and we have parents trying to walk up and down the stairs with tiny children. In addition to this it is very disruptive for aunties and children in the surrounding rooms.

#### CHILDREN'S SHOES

Please can all shoes be clearly labeled with your child's full name. Please be responsible for ensuring that your child goes home in their own shoes as we have many children with the same footwear.

#### ADDITIONAL SESSIONS

We have a few additional sessions available throughout the nursery. These are mainly on a temporary basis. If you are interested in taking any additional sessions please call the office.

Many thanks

Clare, Adey and Natalie
