Modeshift STARS

In this newsletter we would like to promote the 'green' way of safer, active and sustainable travel within Brighton and Hove and our local area.

Please take a moment to look at our '5 minute walking zone' poster located on the inside of the nursery front door. We ask that you help to look after our environment and consider travelling to nursery in an eco-friendly way. For information on cycling skills and training in the city please look at the following website:

<http://www.brighton-hove.gov.uk/content/parking-and-travel/travel-transport-and-road-safety/city-cycling-skills-and-training>

In addition to this we continue to recommend that the children are provided with high visibility gear, which is especially important over the winter months.

For more information take a look at the 'Be Bright Be Seen' resource centre:

It's not too late to donate!

We are continuing to collect items for two events at the Streets Café.

The first event is helping to host a winter wonderland for underprivileged children. If you would like to donate any cakes, crackers or decorations for the party please pass them onto a member of staff. The Pre-School children will be delivering them on Friday 16th December.

The second event is delivering items to be distributed amongst the homeless. Suggested donations include sleeping bags, blankets, personal care items, reading glasses, clothes, shoes, toys, long life food.

Once again, please pass any donations onto the staff or place them in the box located in the entrance hall. Our older children will deliver these the week before Christmas.
