Dear Parents,

A big thank you for your understanding regarding the changing around of the Teenies/ Toddlers pegs. It has worked extremely well and the Toddlers are loving their new found independence.

We would also like to thank Preston Circus Fire Station for bringing one of their engines along for the children to explore, it proved to be a very popular experience!

We would like to inform you that we have recruited a parent representative! Natalie is one of our Pre-School parents and will be working with us to organise some parent socials in the near future. Keep your eyes peeled for further information!

Travel Section

We are delighted to have been awarded our bronze Modeshift STARS accreditation as part of the National School Travel Awards.

We are now working towards gaining our silver award and will keep you updated with information on how we will be doing this.

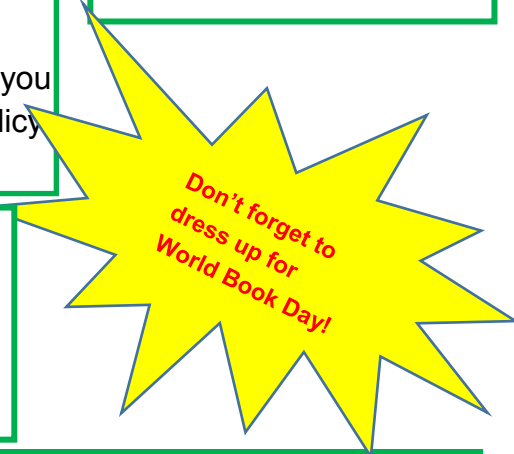

In the meantime, we would be most grateful if you could take a moment to look at our parking policy located in the entrance hall.

Tapestry

Please keep sharing your stories and pictures on Tapestry, we love seeing all of your updates.

Feel free to take in interest sheet or to bring some pictures in if you would prefer.

Events
