## Dear Parents,

A big thank you to all the parents who have uploaded pictures and events to your child's tapestry account, it is great to see what you get up to outside of nursery so that where possible we can extend their learning further through planned activities at nursery.

## Ocean Week 10<sup>th</sup> June

We are raising awareness of the vital importance of our oceans and the role they play in sustaining a healthy planet. A global celebration, it looks to bring people and organisations together across the globe in a series of events highlighting how we can all help protect and conserve the oceans.

We will be:

Walking along the beach

Turning water off when you don't need it

Learning about sea wildlife

Talking about keeping the sea clean

Staying safe at the beach

## Dad's stay and play

In honour of Father's Day we would like to invite any of the dads and grandads that would like to come in for a little play session the week of the 17<sup>th</sup> June. We will update you with more information nearer the time but if this is something you would be interested in please feel free to speak to a member of staff or send the office as email

## Maths Week

(20<sup>th</sup> - 25<sup>th</sup> May)

This week will be a week of fantastic maths related activities inside and outside really showing maths is everywhere! We will be shape hunting, car racing, singing number songs and much more. Why don't you join in on your way to nursery by counting cars, spotting number or counting steps.
