Quality childcare needn't cost the earth

138 Beaconsfield Villas

enquiries@growingupgreen.co.uk

Dear Parents,

Winter is approaching and it is starting to get wet!

The children love to get outside in all weathers so if you could ensure that your children have wet weather clothes for outside play that would be great.

Wellies, Velcro, and slip on shoes really support the children to be independent at nursery. They are easy to put on/ take off for our garden times.

Room Movers:

It is a very exciting time of year as the children move to their new rooms. If you have any questions, please speak to your child's new room leader or contact the office.

New Starters:

I would like to say a big big welcome to all of the new children starting at GUG, everyone is settling in very well!

New Key Code:

We have had our lock changed on the door with a new code, if you have not received this in an email or on the door please let the office know so we can provide you with it.

Thank You

to everyone who helped to make the GUG Olympics such a fantastic event.

We raised a grand total of £387.70 which has been split between two charities:

Multiple Sclerosis Society and
The Children's Liver Disease
Foundation

Literacy week

We are so excited to be celebrating Literacy week this September. We will be dressing up as our favourite book characters and enjoying some fun activities. It is Roald Dahl's birthday on Friday 13th so we will be having a little birthday party and reading some of his stories.

9th September – 13th September

Dates for your diary

Literacy Week and Roald Dahl's
Birthday

8th September All Week

Halloween

31st October

Walking and Wheeling Week

16th September All Week

Tapestry.

A big thank you to all the parents who have uploaded pictures and events to your child's tapestry account, it is great to see what you get up to outside of nursery so that where possible we can extend their learning further through planned activities at nursery.

If you have any problems logging on or are unsure what to do, please speak to the office.
